WOMEN'S WILDERNESS ESCAPE

The NRA Whittington Center Women's Wilderness Escape is a one-of-a-kind experience for women ages 18 and older. This empowering, life-changing event is designed for women seeking to enhance their knowledge and skill set in firearms, shooting, hunting, and outdoor activities. Set in a safe and supportive environment, participants will learn under the guidance of skilled NRA-certified instructors.

This all-inclusive, six-day escape offers comprehensive instruction in shooting fundamentals, firearm safety, and marksmanship. Training includes hands-on experience with rifles, pistols, shotguns, and archery, all taught by certified NRA Instructors. No prior experience is necessary, as all equipment, firearms, ammunition, lodging, and meals are provided.

To ensure personalized instruction, the program is limited in size, allowing participants to receive individualized attention and make the most of their experience. Don't miss this unique opportunity to grow, learn, and connect with like-minded women in a stunning outdoor setting.
